## Multy Country Consolidation (MCC)

Multi country consolidation is a cost effective solution that consolidates your cargo from different countries of origin to build Full Container Loads (FCL).

Our warehouse undertakes cargo destined for any country, ship them to a single port that act as a hub and consolidate all into FCLs that can be shipped to any port with convenience. By choosing MCC your cargo is being shipped securely through **DFL Global** and our MCC services will improve Load - factors and also reduce the total logistic cost by making your ultimate requirement ends up with your own satisfaction.

## **Inbound / Outbound - FCL / LCL**

### **FCL Cargo – Full Container Loads**

We undertake any kind of cargo acceptable by any country from/to. We do cooperate with our exclusive agency network in gaining very competitive Freight charges in to Colombo from any required origin and also assuming the quality services from the time we undertake the cargo till the cargo get reaches to its final destination.

### **LCL Cargo – Less than Container Loads**

We also undertake and provide the service of moving LCL Cargo from any seaport to cmb and from cmb to any seaport. Focusing our main product inbound/outbound consolidation you may have the opportunity of enjoying very best competitive Ocean Freight rates though **DFL Global**.

### **Air Cargo**

We take care of undertaking any Weight/Volume acceptable by airlines for General Cargo/ Dangerous Cargo/ Perishable Cargo and if any from any airport to Colombo and from Colombo to any airport.

### **Project Cargo**

We are experienced in handling project cargo too domestically and internationally also we are well established with the Technical equipment, Warehousing facility, Man power, IT Technology and all other required facts to complete your project cargo solutions with utmost care.

## Containerized Vehicles & RORO Service

With the backing support specially from Japan, Singapore and United Kingdom We have almost started moving containerized Vehicles and RORO cargo to cmb and we do following the ethical facts in purpose of developing this trade line further and become our customer's ultimate Logistic provider.

We also grantee that you get the opportunity to enjoy very best Ocean rates for containerized vehicles and RORO cargo. Also we have our own specialized team for follow the cargo racking system, Loading/ lashing system, containerizing & documentation procedure. We take pride In handling your own vehicle though **DFL Global**.

## **Global Network**

We cooperate with our exclusive overseas partners worldwide in order to make the transportation of goods in very ethical way. We are strong with our overseas partners and we do engaged in various transport related services such as Sea and Air forwarding, Customs Brokerage, warehousing and distribution too. The Global network enable us to plan more volume in and out to and from Colombo.

We ready to give the opportunity to our clients too to enjoy the benefits, which will be given through our global network.

## **Additional Services**

**Assisting with Cargo / Marine Insurance :** We assist the shippers to obtain the utmost beneficial marine insurance policy.

**Online Tracking Service :** Shippers and consignees can track their cargo by logging on to our website.

**Assisting with the Filing of Insurance Claims :** Though we will take utmost care for the precious cargo of our customers we will assist the customer to file Insurance Claims in case of loss or damage of their precious cargo.
